

TIGER TALES

THE NEWSLETTER OF THE NH FLYING TIGERS RC CLUB

JANUARY 2026

FROM YOUR PRESIDENT:

We had a small turn-out for our club XMAS party due to icy road conditions, but a lot of fun just the same. In addition, everyone I talked to has the flu. Welcome to winter.

On my end all planes are winterized and ready for the season. I hope to finish re-covering my Train-Air 20. My electric foam planes are working great for Epping indoor flying. Foam Tac glue heals all wounds! I have one plane that will eventually have more glue than foam!

Our January meeting has a full agenda, as we begin planning the 2026 season, followed by our 2025 club video.

John Lavery volunteered to be our event coordinator this year. John will set dates for events and update club members. I'll continue advertising and create flyers as required.

Our Field Marshall position is open if anyone would like to volunteer.

Please note that 2026 club membership renewals are due.

The property on 5 B St along the left side of our gate is being cleared by the new property owner, Dylan. It may take a year or so, but a foreign auto repair facility will be constructed. I asked Dylan to make sure we have road access to the field at all times. Our main entrance gate will be removed and placed by our field gate. Dylan has been great to work with thus far.

Feel free to submit articles of interest for our newsletter, whether winter projects or otherwise.

Finally, thanks to our club officers and volunteers for stepping up again in 2026. I'm looking forward to a great flying season.

Paul Pazolt

Yankee Swap at our Christmas Party

If I remember correctly, this was no. 1 trying to decide who's gift he likes best.

Newsletter submissions deadline February 17th

Next Meeting January 28th at Marrion Garrish
Community Center at 7:00pm

See the Calendar at our website for up to date activity
