Due to the holiday our Next club meeting is scheduled for Wednesday, Nov 18, 7PM, Room 2 at the Marien Gerrish Community Center, Derry NH. I hope to see strong attendance as we complete nominations for 2027 club officers and vote. With the weather looking good, we can also discuss a small work party to button up the field for winter.

**NH Flying Tigers RC Club – Monthly Meeting Minutes – October 28, 2026**

Agenda: The meeting was called to order @ 7:01 with 3 officers and 12 members attending.

**1. Secretary's Report**

In lieu of the Secretary's Report, the minutes from last month's meeting as published in the Newsletter, were accepted unanimously.

**2. Treasurer's Report -**

Pat Clark gave the Treasurers' Report stating that our reserves and cash on hand are ample for our upcoming expenses and to get us to 2027 comfortably. A complete copy of the treasurer's report is available from any officer. We currently have 60 paid members.

**3. President's Comments, Training Coordinator & Field Marshal's Reports**

Field Report was given by Paul Pazolt. The Beavers are back and are damming up the culvert. Paul Pazolt contacted our new neighbor; Dylan Bergeron and he had his father Chris come down with a backhoe and clear the obstruction. Big THANKS to our new neighbors.

President Pazolt wanted to thank the crew of volunteers that has done such a wonderful job maintaining the field and runway this year. THANKS guys!!

**4. New Members**

- Joe Piotrowski was voted in unanimously.

**5. Old Business**

The documentation and digitization of the club handbook is complete and Paul is waiting on comments.

The Secretary, Treasurer, and Vice-President are all running for their respective offices again. Paul Pazolt will be stepping down as President and ALL club members are encouraged to consider this volunteer position. Currently, the positions of Field Marshall and Safety Officer remain vacant

**6. New Business & Proposals**

A Work Party is scheduled for Saturday, November 7th at 9:00. Bring brush clippers and weedwhackers.

Lenny asked about the status of club trainers. Paul Lockwood told the club that we have several but some are old and the Aero Scouts are difficult to fly. Lenny stepped up and volunteered to provide a new apprentice trainer at his expense. Thanks for the donation.

John Clark and Pat Clark gave the 2027 budget report. They constructed a new budget for the upcoming 2027 season based on past expenses and projected income. Income and expenses from Special Events was also included. As a result of some fiscal prudence and accounting skills the budget allows us to keep our annual dues at $80 with all other fees remaining the same. Thanks to John and Pat for their work on this.

Paul Pazolt made a motion to accept the 2027 budget as presented and it was passed unanimously. A copy of the complete budget is available through any officer or John Clark.

Adjourn at 7:47
